

World-scale FPSO, pre-shipment inspection

Project description

Pre-shipment inspection of an FPSO at the fabrication yard.

Woodhill scope

To form part of independent pre-shipment inspection team responsible for the verification of the quantity, quality and price of the goods prior to sailaway and importation to the country of use.

Features

Inspection of a facility in the country of supply, on behalf of the government of the importing country prior to shipment.

Benefits

Woodhill were able to respond at short notice for the mobilisation of personnel for the site inspection of a world-scale FPSO.
